

## **TOLERATE GLASS PRIVACY SAM XCOVER7**

**SKU:** ED220008

### **Privacy and protection in perfect balance**

The Tolerate Privacy Glass Screen Protector (10H tempered glass) is the ultimate choice for keeping your screen safe – and your information private. This screen protector not only provides robust protection against scratches and impacts - it also features an advance privacy filter that blocks side views outside a 28° viewing angle.

## **PRODUCT DESCRIPTION**

### **Private viewing**

With built-in privacy technology, your screen remains crystal clear when viewed straight on, while prying eyes from the side only see a darkened surface. Perfect for using your phone in public without worrying about curious glances. Limited viewing angle of 28°.

### **Preserves the original feel**

At just 0.33 mm thin, the Tolerate Privacy Glass Screen Protector maintains your device's original touch sensitivity and smooth display experience. The oleophobic coating repels fingerprints and smudges, keeping your screen clean and easy to use.

### **Full Protection**

Beyond privacy, this screen protector shields your device from scratches and damage, extending its lifespan. Fully compatible with all Tolerate cases, it provides optimal and complete protection for your phone.

### **Reduce Waste with Every Purchase**

By choosing Tolerate, you say goodbye to traditional blister packaging and welcome our smart bulk packaging instead. You become an active part of reducing waste and take a step towards a more sustainable future.
