

TOLERATE CLEAR CASE - TRANSPARENT MAGSAFE CASE FOR IPHONE 17 PRO AND IPHONE 18 PRO

SKU: ED160092

Tolerate Clear Case is a transparent MagSafe-compatible phone case for Apple iPhone 17 Pro and iPhone 18 Pro. It combines a reinforced polycarbonate back with shock-absorbing TPU sides. Built-in magnets support compatible MagSafe accessories, while the clear design keeps the colour and appearance of your phone visible.

PRODUKTBESKRIVNING

CLEAR CASE WITH A REINFORCED BACK

Tolerate Clear Case protects the back and edges of your phone during everyday use. The back is made from PC, or polycarbonate, which provides rigidity. The sides are made from TPU, or thermoplastic polyurethane, to help absorb impacts.

BUILT-IN MAGNETS FOR MAGSAFE ACCESSORIES

The case features a ring of 38 magnets for attachment to compatible MagSafe accessories, such as chargers and car mounts.

FITS IPHONE 17 PRO AND IPHONE 18 PRO

This item fits both Apple iPhone 17 Pro and Apple iPhone 18 Pro. Check your phone model before ordering. The case can be combined with a Tolerate Glass Screen Protector designed for the corresponding phone model.

PACKAGING AND DISPOSAL

The case is supplied in bulk packaging made from recycled plastic.

- Used case: dispose of as residual waste.
- Packaging: sort as plastic packaging.

These sorting instructions apply in Sweden. Elsewhere, follow your local waste collection guidance.
